About this Book.

Daily Invitations.

This book is pragmatic, down-to-earth and free of psychological jargon.

In just seven days, readers are guided on a step-by-step comprehensive journey that introduces each of our most challenging emotions with clear understanding as to why every single emotion that we have is necessary, valuable and serves a purpose.

Bite-sized chapters can be read in just 20 -25 minutes a day and can be returned to easily during any emotionally challenging times. The Audio version of the book is slightly longer.

Each chapter contains an additional section of pragmatic invitations and exercises that are designed to integrate and expand emotional knowledge and awareness into everyday real-life situations.

Self-awareness is often likened to the layers of an onion. Each time we apply a chapter to a particular situation, either for the first time or in returning again, the daily invitations are designed to enable another layer of emotional awareness to unfold.

As we expand our awareness, we can in turn discover how to actively use our emotions as a vital ally in navigating our lives successfully.

Additional Resources to Support your Journey.

Emotional Meditation
